## PREFERRED PLAYERS CARD

The City of Longmont offers courses. Ute Creek is a Robert Trent Jones II championship course that features wide multi-level fairways, over fifty bunkers and an abundant natural rough. Twin Peaks is a traditional style layout with elevated greens and water on seven holes. Sunset is a challenging nine-hole course with narrow tree-lined fairways and small greens, a design typical of courses built in the early 1900's. All three courses have full service pro shops staffed by PGA Golf Professionals. Longmont's courses offer golf lesson programs for players of all ages and abilities and a variety of company outing packages.

1200 Cornell Drive  
Longmont, CO 80503  
303-651-8401

Twin Peaks is a traditional style championship course that features elevated greens and water hazards on seven holes. This Par 70 layout is a favorite of local players because it is challenging and enjoyable for players of all ages and abilities.

2000 Ute Creek Drive  
Longmont, CO 80504  
303-774-4342

Longmont's newest course, Ute Creek, opened in 1997. Designed by the world-renowned golf course architects of the Robert Trent Jones II Group, this 18-hole championship course is a Par 72 ranging in length from 5,509 to 7,167 yards. Ute Creek is the only Robert Trent Jones II course in the northern Front Range.

Ute Creek's unique features offer challenge and interest for players of all abilities. Five lakes, two streams and a generous natural rough provide an abundant wildlife habitat. Wide multilevel fairways lead to RTJ II's signature greens. Five Par 3 and five Par 5 holes with three of each on the back nine make Ute Creek's design unlike any other course in the area.

Practice facilities include a practice range with large grass tees and target greens, a chipping green with a practice bunker and a large undulating putting green.
