

THE GOLFER'S CREED

Responsibility — I will follow the rules of the golf course and take responsibility for all of my actions on the course, including safe operation of a golf car and the responsible consumption of alcoholic beverages.

Etiquette — I will abide by the rules of etiquette, awaiting the proper time to hit, refraining from foul language and boisterous behavior, and generally conducting myself as a lady or gentleman on the course.

Sensitivity — I will be sensitive to the environment and the course where I play, and to those who maintain and manage it.

Pace — I will keep up with the group ahead and maintain an appropriate pace of play.

Educate — I will do my best to educate other golfers on the principles of this creed by sharing it and living up to it at every opportunity.

Conditions — I will strive to leave the course in better condition than I found it by fixing my ball marks (and those of others), replacing my divots, raking bunkers, and properly disposing of trash.

Traditions — I will embrace the rules and traditions of this ancient and honorable game and respect my fellow golfers and the courses we are privileged to play.

Pace of Play

- ✓ A Marshal will greet & welcome each group.
- ✓ Marshals will always work backward through the golf course.
- ✓ Marshals will continue a reverse loop around the course. The slow group will have that time to catch the group in front of them. The group may be asked to skip a hole and move into position on the course.
- ✓ Please remember — 18 holes of golf should take 4 hours and 20 minutes or less to play (regardless of ability). Please keep up so everyone behind you can enjoy their day.
- ✓ Your cooperation is appreciated.
