

GOLFER'S CREED

Golf has been good to me.

*As a golfer, I will RESPECT
and be good to the game of golf.*

Responsibility - I will follow the rules of the golf course, and take responsibility for all of my actions on the course, including the safe operation of a golf cart and the responsible consumption of alcoholic beverages.

Etiquette - I will abide by the rules of etiquette, awaiting the proper time to hit, refraining from foul language and boisterous behavior, and generally conducting myself as a lady or gentleman on the course.

Sensitivity - I will be sensitive to the environment and the course where I play, and to those who maintain and manage it.

Pace - I will keep up with the group ahead and maintain an appropriate pace of play.

Educate - I will do my best to educate other golfers on the principles of this creed, by sharing it and living up to it at every opportunity.

Conditions - I will strive to leave the course in better condition than I found it, by fixing my ball marks (and those of others), replacing my divots, raking bunkers, and properly disposing of trash.

Traditions - I will embrace the rules and traditions of this ancient and honorable game, and respect my fellow golfers and the courses we are privileged to play.

- A Marshal will greet and welcome each group.
- Marshals will always work backward through the golf course.
- Marshals will warn any group that is approximately one or more holes behind the group ahead.
- The Marshal will continue a reverse loop around the golf course. The slow group will have that time to catch the group in front of them. The group may be asked to skip a hole and move into position on the course.
- Please remember – 18 holes of golf should take 4 hours and 20 minutes or less to play (regardless of ability). Please keep up so everyone behind you can enjoy their day.
- Your cooperation is appreciated to keep golf enjoyable for everyone.
